Dear Donnie,

It is my pleasure to let you know that the NASA Inventions and Contributions Board has granted you a Patent Application Award. This \$500 award is for your contribution entitled "Natively Glycosylated Mammalian Biological Molecules Produced By Electromagnetically Stimulating Living Mammalian Cells," MSC-23979-1. This award provides recognition for inventions and other scientific and technical contributions that have helped NASA to achieve its aeronautical and space goals.

Your monetary award check will be processed and mailed directly to you. Please accept our sincere congratulations and best wishes. If you have any questions, please call me at (281) 483-0077.

Sincerely,

A handwritten signature in blue ink that reads "Kelli A. Graham".
